RUTS RAJAMANGALA UNIVERSITY OF TECHNOLOGY SRIVIJAYA

REPORT OF INTERNATIONAL AFFAIRS

FOR THE YEAR 2024 - 2025

OCTOBER 2024 - NOVEMBER 2025

MASSAGE FROM

DR. LAMUN KAYURIN

ASSISTANT TO THE PRESIDENT
RAJAMANGALA UNIVERSITY OF TECHNOLOGY SRIVIJAYA (RUTS)

It is my honor to reflect on the achievements of the Office of International Affairs (OIA) in fiscal year 2025. This year, RUTS has taken bold steps toward becoming a university of innovation and international recognition. Through collaboration with leading universities in Malaysia, China, Taiwan, and beyond, we have organized international camps and programs in engineering, veterinary science, aquaculture, digital technology, and tourism.

These initiatives have strengthened academic learning while fostering global citizenship and cultural understanding. Our expanded partnerships, through new and renewed MoUs, have opened doors for student and staff mobility, joint research, and scholarship opportunities—ensuring that RUTS students gain invaluable global experiences. As we look ahead, OIA remains committed to building impactful partnerships and driving sustainable internationalization.

With unity, innovation, and determination, I am confident RUTS will continue to shine as a university that creates meaningful impact locally and globally. I sincerely thank all colleagues, partners, and students whose dedication has made these successes possible. Together, we are shaping a brighter future for RUTS on the world stage.

Dr. Lamun Kayurin
Assistant to the President

INTERNATIONAL AFFAIRS, RUTS
NEWSLETTER

OCTOBER 25 -27, 2024 WWW.RMUTSV.AC.TH/EN

From October 25–27, 2024, the Office of International Affairs, under the leadership of Dr. Lamun Kayurin, Assistant to the President, organized a three-day workshop aimed at preparing for the Times Higher Education (THE) Impact Rankings 2025. Since Rajamangala University of Technology Srivijaya (RUTS) will be submitting its data in early November 2024, the workshop served as a crucial step in ensuring accuracy, completeness, and alignment with the university's strategic goals.

The program, held at Siva Royal Hotel, brought together representatives from all 17 Sustainable Development Goals (SDGs) committees. Each team worked diligently to review, verify, and strengthen the supporting evidence for their respective SDG indicators. The sessions included data cross-checking, discussions on best practices, and strategy-sharing on how to showcase RUTS's strengths and contributions to sustainable development.

The event also fostered collaboration among different faculties and administrative units, reinforcing the university's collective commitment to advancing sustainability and improving global recognition. Through these intensive preparations, RUTS aims not only to enhance its overall ranking performance but also to highlight its genuine impact on local, regional, and international communities.

The dedication and hard work demonstrated by all participants reflect RUTS's determination to enhance its quality, reputation, and long-term development.

SDGs Submitting Preparation

During October 25-27, 2024 International Affairs led by Dr Lamun Kayurin, Assistant to President hosted the Impact Rankings 2025 due to RUTS will submit the data in early November. The event was hosted to prepare and recheck the data before the submitting. All 17 SDGs members have done a very hard work on preparing data and willing to be able to increase the score for each SDGs at Siva Royal Hotel.

RUTS & USM RESEARCH COLLABORATION TOPIC: CLIMATE RESILIENCE AND ADAPTATION IN THE TOURISM INDUSTRY

On 31 October 2024, Dr. Lamun Kayurin, Assistant to the President, together with RUTS administrators, warmly welcomed the executive team from Universiti Sains Malaysia (USM), Malaysia, led by Prof. Dato' Dr. Narimah Samat.

The visit aimed to continue the cooperation that was first initiated during discussions held at USM on 11–12 March 2024. The program served as an opportunity to strengthen institutional networks, exchange academic ideas, and gain deeper insights into RUTS's academic programs.

In addition, both institutions explored possibilities for joint research initiatives and dual/combined degree programs. Such collaboration is expected to enrich academic experiences while providing students and staff the opportunity to engage with two distinct intellectual and cultural contexts—those of USM and RUTS.

This visit marks another significant step toward enhancing the partnership between the two universities, with particular emphasis on advancing research in the area of climate resilience and adaptation in the tourism industry.

RUTS AND UMK GEAR UP FOR INTERNATIONAL COLLABORATION CAMPS 2025

On 19 November 2024, Dr. Lamun Kayurin, Assistant to the President of Rajamangala University of Technology Srivijaya (RUTS), together with representatives from Universiti Malaysia Kelantan (UMK), joined an online meeting to discuss preparations for two upcoming International Collaboration Camps.

The first program, the RUTS–UMT–UMK International Collaboration Camp: Marine Endangered Animals Camp, will be hosted by the Faculty of Veterinary Science, RUTS, from 13–15 December 2024. The second, the RUTS–UMK International Collaboration Camp: Veterinary and Animal Nourishing Camp, will take place in May 2025 at UMK, in partnership with RUTS.

Both camps are designed to strengthen educational collaboration between the institutions, with a special focus on academic workshops and cultural exchange. By bringing together students and faculty from Thailand and Malaysia, the camps aim to create meaningful opportunities for knowledge-sharing, hands-on learning, and cross-cultural understanding.

These initiatives mark another step forward in RUTS's mission to expand its international engagement while fostering closer ties with regional partners in advancing education and research.

RUTS AND USM PREPARE FOR CIVIL ENGINEERING INTERNATIONAL COLLABORATION CAMP

On 26 November 2024, Dr. Lamun Kayurin, Assistant to the President of Rajamangala University of Technology Srivijaya (RUTS), together with representatives from the Faculty of Engineering and the College of Industrial Technology and Management, joined an online meeting with colleagues from Universiti Sains Malaysia (USM).

The meeting focused on finalizing schedules and activities for the upcoming RUTS–USM International Collaboration Camp: Civil Engineering Camp, which will be hosted by the Faculty of Engineering, RUTS, from 30 November to 4 December 2024.

The camp aims to strengthen educational collaboration between the two institutions, particularly through academic workshops and cultural exchange activities. By bringing together students and faculty from Thailand and Malaysia, the program seeks to foster knowledge-sharing, practical learning experiences, and greater cross-cultural understanding.

"RUTS & UMK & UMT International Collaboration Camp 2025"

RUTS, UMK, AND UMT FINALIZE PLANS FOR INTERNATIONAL COLLABORATION CAMP 2025

On 4 December 2024, Dr. Lamun Kayurin, Assistant to the President of Rajamangala University of Technology Srivijaya (RUTS), together with Dr. Metasu Chanrot from the Faculty of Veterinary Science, RUTS, joined representatives from Universiti Malaysia Kelantan (UMK) and Universiti Malaysia Terengganu (UMT) in an online meeting.

The session marked the second coordination meeting for the RUTS–UMT–UMK International Collaboration Camp: Marine Endangered Animals Camp, focusing on finalizing the schedule and activities. The camp will be hosted by the Faculty of Veterinary Science, RUTS, and is set to take place at RUTS Trang Campus from 13–15 December 2024.

The camp aims to strengthen educational collaboration between the three universities, with a special focus on the International Dugong and Seagrass Workshop, alongside a variety of cultural exchange activities. By combining academic engagement with cross-cultural learning, the program seeks to provide participants with valuable international experience and deeper understanding of marine conservation efforts.

UTS HOSTS INTERNATIONAL COLLABORATION CAMP 2025: MARINE ENDANGERED ANIMALS CAMP

RFrom 13–15 December 2024, the Office of International Affairs, led by Dr. Lamun Kayurin, Assistant to the President, successfully hosted the RUTS–UMT Collaboration Camp 2025: Marine Endangered Animals Camp – International Dugong and Seagrass Workshop. This year, RUTS served as the host institution, with the program organized under the Faculty of Veterinary Science, Faculty of Science and Fisheries Technology, and the Natural Resources and Environment Institute at RUTS Trang Campus.

The camp brought together over 85 participants, including students and representatives from RUTS faculties as well as Universiti Malaysia Terengganu and partner universities. The program combined insightful discussions, innovative workshops on marine endangered animals, and dynamic cultural exchange activities, providing a unique platform for academic collaboration and international engagement.

The camp was honored by the presence of Prof. Dr. Suwat Tanyaros, President of RUTS, Asst. Prof. Sittichoke Janyong, Vice President, Asst. Prof. Kwanhatai Jaipiem, Vice President, and Dr. Lamun Kayurin, Assistant to the President, who joined the closing ceremony and presented certificates to all participants.

The event exemplified RUTS's commitment to international collaboration, sustainability education, and hands-on learning experiences in the field of marine conservation.

"RUTS & UiTM Benchmarking Visit"

RUTS HOSTS UITM REPRESENTATIVES FOR BENCHMARKING VISIT

On 15 January 2025, the Office of International Affairs, led by Dr. Lamun Kayurin, Assistant to the President, welcomed representatives from Universiti Teknologi MARA (UiTM), Malaysia, led by Ts. Dr. Khalid Abdul Wahid, Assistant Rector, and Prof. Madya Dr. Azrul Abdullah, Head of Center, Faculty of Accounting, along with supporting staff from various divisions.

The visit aimed to enhance the skills of supporting staff at both institutions and to explore potential areas for future collaboration between RUTS and UiTM. During the sharing session, RUTS representatives from the Office of Academic Promotion and Registration, Student Development, Academic Resources and Information Technology, Personnel Administration, and Finance joined discussions and exchanged insights on best practices. In addition, UiTM representatives had the opportunity to tour RUTS Trang Campus and visit the RUTS Library, gaining firsthand experience of the university's library system and resources.

The visit strengthened institutional ties and highlighted RUTS's commitment to knowledge sharing, staff development, and international collaboration.

RUTS WELCOMES DELEGATION FROM UNIVERSITI MALAYSIA PERLIS (UNIMAP)

On 20 January 2025, Rajamangala University of Technology Srivijaya (RUTS), led by Prof. Dr. Suwat Tanyaros, President, along with the Vice President, Assistant to the President, Deans from various faculties, and other key university representatives, had the honor of welcoming a distinguished delegation from Universiti Malaysia Perlis (UniMAP).

The UniMAP delegation was led by Prof. Dato' Ts. Dr. Zaliman Sauli, Vice Chancellor, and included Prof. Ir. Dr. Modh Shukry Abdul Majid, Deputy Vice Chancellor, Assoc. Prof. Ir. Dr. Umi Fazara Md. Ali, Director of the Centre for International Engagement, Assoc. Prof. Dr. Phak Len Ehkan, Faculty of Electrical Engineering, and Mdm. Elley Nadia Eliazir, Office of the Chancellor.

The visit aimed to strengthen and further develop the collaboration between the two universities. Discussions focused on potential areas for cooperation, including:

- Academic staff development programs for Ph.D. and Master's degrees
- Joint research projects, publications, and research grants
- Visiting professor exchanges
- Student and faculty exchanges
- Student mobility programs, such as the Engineering Camp and Smart Farm Camp 2025
- Additional areas of mutual academic and research interest

The visit underscored both universities' commitment to enhancing academic excellence, research collaboration, and international engagement, paving the way for a productive and sustainable partnership.

FEBRUARY 2025

The Faculty of Engineering, in collaboration with the Office of International Affairs, will organize the RUTS–USM International Collaboration Camp 2025: Civil Engineering Camp from 25 February to 1 March 2025.

The camp will welcome participants from Universiti Sains Malaysia (USM), Malaysia, as well as students from RUTS Faculty of Engineering, Songkhla Campus, and the Civil Engineering program at the College of Industrial Technology and Management, Khanom Campus.

The program will feature four key components:

1. Academic activities to enhance knowledge and practical skills in civil engineering
2. Cultural exchange programs to foster cross-cultural understanding
3. Sports and recreational activities for team building and engagement
4. Research collaboration sessions for academic staff in civil engineering

The camp will be hosted at the Faculty of Engineering, RUTS, Songkhla Campus, providing participants with an opportunity to engage in hands-on learning, international networking, and collaborative research initiatives.

CLOSING CEREMONY RUTS AND USM INTERNATIONAL COLLABORATION CAMP 2025 (CIVIL ENGINEERING CAMP)

On February 28, 2025, the Faculty of Engineering, in collaboration with the International Affairs of Rajamangala University of Technology Srivijaya (RUTS), held the closing ceremony of the "RUTS and USM International Collaboration Camp 2025 (Civil Engineering Camp)" at the Faculty of Engineering, RUTS, Songkhla Campus. The program took place from February 25 to March 1, 2025.

The event was honored by the presence of executives, faculty members, and students from Universiti Sains Malaysia (USM), Malaysia, along with students from the Civil Engineering and Survey Engineering programs at RUTS, as well as Civil Engineering students from College of Industrial Technology and Management, Khanom Campus.

MARCH 2025

CLOSING CEREMONY OF THE "RUTS AND USM INTERNATIONAL COLLABORATION CAMP 2025 (CIVIL ENGINEERING CAMP)"

On February 28, 2025, the Faculty of Engineering, in collaboration with the International Affairs of Rajamangala University of Technology Srivijaya (RUTS), held the closing ceremony of the "RUTS and USM International Collaboration Camp 2025 (Civil Engineering Camp)" at the Faculty of Engineering, RUTS, Songkhla Campus. The program took place from February 25 to March 1, 2025.

The event was honored by the presence of executives, faculty members, and students from Universiti Sains Malaysia (USM), Malaysia, along with students from the Civil Engineering and Survey Engineering programs at RUTS, as well as Civil Engineering students from College of Industrial Technology and Management, Khanom Campus.

The participants enthusiastically engaged in various activities throughout the program and thay had the opportunity to exchange knowledge and culture through three main activities:

Academic – Academic activities to enhance knowledge in civil engineering.

Cultural Exchange – Cultural exchange between Thai and Malaysian students.

Sports – Sports activities to foster relationships and teamwork.

The closing ceremony was filled with friendship and memorable moments. Certificates were awarded to participants, and appreciation was expressed to everyone who contributed to the program's success. This initiative not only strengthened engineering knowledge but also provided an opportunity to build meaningful relationships across universities and cultures.

Additionally, the ceremony was live-streamed via the Faculty of Engineering's Facebook Fanpage by students from Electronic Engineering program, allowing those unable to attend in person to experience the event in real-time.

The "RUTS and USM International Collaboration Camp 2025" marks a significant step in promoting academic and cultural collaboration between universities. It serves as an inspiration for students to develop themselves and prepare for future international opportunities.

RUTS HOSTS CQUPT INTERNSHIP PROGRAM IN TEACHING CHINESE LANGUAGE FOR COMMUNICATION

On 14 March 2025, Dr. Lamun Kayurin, Assistant to the President of RUTS, presented certificates to Ms. Zhu Na and Ms. Ren Yuxin from Chongqing University of Posts and Telecommunications (CQUPT) for successfully completing the Internship Program in Teaching Chinese Language for Communication, held from 7 January to 20 March 2025 at the Faculty of Liberal Arts.

The ceremony was attended by representatives from the Faculty of Liberal Arts, including Dr. Kittiya Phisutthangkoon, Assistant to the Dean, Dr. Somporn Chunaowarat, English Lecturer, and Dr. Varidta Tapnimit, Chinese Lecturer.

During the program, RUTS students developed their Chinese language skills in reading, listening, writing, and speaking, while gaining an understanding of Chinese culture. Thai cultural elements were also incorporated into the program, enriching the learning experience and providing students with practical skills applicable to their future careers in language teaching and communication.

RUTS HOSTS MOU EXTENSION CEREMONY WITH KUNMING RAILWAY VOCATIONAL AND TECHNICAL COLLEGE

On 28 March 2025, Rajamangala University of Technology Srivijaya (RUTS), led by Prof. Dr. Suwat Tanyaros, President, welcomed distinguished guests including H.E. Mr. Shi Yugang (Yunnan Provincial Committee), Mr. Wang Zhijian (Consulate-General of PR China in Songkhla), Ms. Li Ruilin (President of Kunming Railway Vocational and Technical College, KRVTC), and Mr. Chotnarin Kertsom (Governor of Songkhla) for the MoU extension signing ceremony between RUTS and KRVTC.

Governor Chotnarin Kertsom highlighted that this collaboration strengthens educational ties, advances human resource development, and promotes transportation, logistics, and tourism between Thailand and China. The ceremony took place at the Samila Meeting Room, 3rd floor, Administration Building, RUTS.

In the afternoon, representatives from both institutions, including RUTS Faculty of Engineering and KRVTC, met to discuss student and staff mobility programs and railway engineering training for RUTS students at KRVTC in November–December 2025.

RUTS AND UMT: SUMMARY AND CONFIRMATION OF TROPICAL AQUACULTURE CAMP 2025

On 3 April 2025, the Office of International Affairs, led by Dr. Lamun Kayurin, together with representatives from the Faculty of Science, Fisheries and Technology, led by Asst. Prof. Manoch Khamcharoen, met with Dr. Diyana Noordin from Universiti Malaysia Terengganu (UMT) to finalize preparations for the RUTS–UMT Tropical Aquaculture Camp 2025.

The meeting confirmed that the camp will be held from 9–13 June 2025 at the Faculty of Science, Fisheries and Technology, RUTS. Representatives from three additional universities—Universiti Sains Malaysia (USM) and Nhatrang University and Can Tho University, Vietnam—were also confirmed to participate.

During the session, participants discussed the camp schedule, activities, and other organizational details to ensure a successful international program.

RUTS HOSTS MOU EXTENSION SIGNING CEREMONY WITH UNIVERSITI TEKNOLOGI MARA (UITM)

On 11 April 2025, Rajamangala University of Technology Srivijaya (RUTS), led by Prof. Dr. Suwat Tanyaros, President, welcomed a distinguished delegation from Universiti Teknologi Mara (UiTM), Malaysia, led by Assoc. Prof. Dr. Ahmad Nizan Mat Noor, UiTM Rector, along with top management representatives, for the extension signing ceremony of the Memorandum of Understanding (MoU) between the two institutions.

The ceremony, held at the Samila Meeting Room, 3rd floor, RUTS Administration Building, symbolized a renewed commitment to strengthening bilateral academic and research collaboration. The event highlighted the universities' shared vision of fostering internationalization, academic excellence, and innovation, while creating opportunities for student and staff mobility programs and joint research initiatives.

Following the signing, Dr. Lamun Kayurin, Assistant to the President, led discussions with representatives from both institutions to explore future collaborative programs, including academic exchanges, research partnerships, and capacity-building initiatives designed to enhance knowledge transfer and cross-cultural learning.

This MoU extension marks a significant milestone in the partnership between RUTS and UiTM, reinforcing both universities' commitment to nurturing global-ready graduates and advancing sustainable, high-impact academic collaborations.

RUTS AND UTP FINALIZE PREPARATIONS FOR INTERNATIONAL COLLABORATION CAMP 2025: DIGITAL AI AND ROBOTICS

On 17 April 2025, Dr. Lamun Kayurin, Assistant to the President of RUTS, hosted the final preparation meeting for the RUTS–UTP International Collaboration Camp 2025: Digital AI and Robotics Camp. The meeting included representatives from the Faculty of Industrial Education and Technology, led by Asst. Prof. Chaiya Tanaphatsiri, and delegates from Universiti Teknologi Petronas (UTP).

During the meeting, participants reviewed and finalized the overall camp activities, scheduled to take place from 30 April to 4 May 2025 at the Faculty of Industrial Education and Technology, RUTS. Additionally, UTP staff and approximately 30 students will participate in the Petroleum Technical Safety Activity on 25–26 April 2025, with plans to bring a second group of students for the same activity in June 2025.

The camp aims to provide participants with hands-on learning in digital AI, robotics, and technical safety, fostering knowledge exchange, international collaboration, and practical skills development for both RUTS and UTP students and staff.

RUTS AND UUM INTERNATIONAL COLLABORATION 2025 (DIGITAL MARKETING AND BUSINESS CAMP)

During 21st-25th April 2025, RUTS and Universiti Utara Malaysia hosted International Collaboration Camp (Digital Marketing & Business Camp) Which this year RUTS is the host and was run under Faculty of Management Technology. The camp included 65 participants. For RUTS representatives joining are lecturer and students from various Faculty and campus joining the camp such as Ratthaphum College, Agro-Industry, Management Technology, Business Administration, College of Hospitality and Tourism, College of Industrial Technology and Management.

The camp was combining of insightful discussions, innovative workshops such as workshop in digital marketing in term of platform, social media marketing: (digital content in tourism
place in Nakhon Si Thammarat and Trang) and digital marketing Workshop: Race Model (Reach, Act, Convert, Engage). Moreover, participants enjoy the pitching competition, learning to make Thai dessert, play sports and cultural performance.

RUTS AND UTP INTERNATIONAL COLLABORATION CAMP (DIGITAL AI AND ROBOTIC)

From 30 April to 4 May 2025, Rajamangala University of Technology Srivijaya (RUTS) proudly hosted the RUTS–UTP International Collaboration Camp 2025: Digital AI & Robotics Camp, organized by the Faculty of Industrial Education and Technology (FIET). The camp brought together 60 participants, including lecturers and students from the following RUTS faculties:

- Faculty of Industrial Education and Technology
- Faculty of Engineering and Technology
- Faculty of Engineering
- College of Industrial Technology and Management

The camp aimed to enhance participants' expertise in digital technology, artificial intelligence, and robotics, while also promoting cross-cultural interaction and international academic collaboration.

During the program, participants engaged in a variety of academic and practical activities, including hands-on workshops in AI and robotics, knowledge-sharing sessions, and collaborative innovation projects, where students designed and prototyped solutions in digital and robotic domains.

Beyond classroom learning, the camp featured extracurricular activities and cultural exchange programs, providing participants with valuable practical experience and a deeper understanding of cross-cultural collaboration.

RUTS AND UMK HOST INTERNATIONAL COLLABORATION CAMP 2025: VETERINARY AND ANIMAL NOURISHING

From 11–15 May 2025, Rajamangala University of Technology Srivijaya (RUTS) and Universiti Malaysia Kelantan (UMK) successfully co-organized the RUTS–UMK International Collaboration Camp 2025: Veterinary and Animal Nourishing Camp, with UMK serving as this year's host.

The camp welcomed 35 lecturers and students from RUTS, representing various faculties from Nakhon Si Thammarat and Trang Campuses, specializing in veterinary science and agriculture. Activities were held at Faculty of Veterinary Medicine (FPV), Kota Bharu, and Faculty of Agro-Based Industry (FIAT), Jeli Campus.

The program offered participants international exposure and opportunities to exchange ideas across academic and cultural backgrounds, while exploring innovative solutions to real-world veterinary and agricultural challenges. Key activities included: visits to the Veterinary Teaching Hospital (HPV), hands-on sessions at Exotel, including handling exotic insects and demonstrations of exotic animals, an introduction to mushroom farming techniques at FIAT, where participants learned step-by-step methods for growing edible mushrooms.

In addition to academic and practical sessions, the camp featured cultural and sports activities, providing a holistic learning experience.

The camp successfully blended academic learning with hands-on practice, fostering cross-cultural understanding, collaboration, and professional development. It offered a valuable platform for students and lecturers to exchange knowledge, enhance practical skills, and build lasting international connections.

RUTS AND UNIMAP INTERNATIONAL COLLABORATION CAMP 2025 (SMART FARM CAMP)

From May 12th to 16th, 2025, Rajamangala University of Technology Srivijaya (RUTS), in collaboration with Universiti Malaysia Perlis (UniMAP), successfully organized the RUTS–International Collaboration Camp 2025 (Smart Farm Camp). This year, UniMAP served as the host, welcoming a total of 75 participants, including both lecturers and students from both institutions.

RUTS was proudly represented by lecturers and students from various faculties and campuses, notably the Faculty of Agriculture, the Faculty of Science and Fisheries Technology, and Ratthaphum College. The camp offered a well-rounded program that combined academic enrichment with cultural exchange.

Participants engaged in insightful discussions between lecturers and students along with knowledge-sharing sessions on smart farming technologies and the Internet of Things (IoT) in agriculture. These sessions explored topics such as precision farming, automated irrigation, sensor-based crop monitoring, and sustainable farming practices.

In addition to classroom activities, participants engaged in hands-on experiences such as a farm track race and a field visit to learn about smart farming.

During the closing ceremony, the President of RUTS, along with members of the administrative team, honored the event by joining as special guests. Also took part in presenting prizes and certificates to participants, recognizing their achievements and contributions throughout the camp.

"RUTS STRENGTHENS ACADEMIC COOPERATION WITH UNIVERSITI TEKNOLOGI PETRONAS (UTP), MALAYSIA"

On May 14th, 2025, the administration team from Rajamangala University of Technology Srivijaya, led by Professor Dr. Suwat Tanyaros, the President, and the team including Dr. Lamun Kayurin, Assistant to the President (International Affairs), Assoc. Prof. Surasit Rawangwong, Dean of the Faculty of Engineering, Asst. Prof. Chaiya Tanaphatsiri, Dean of the Faculty of Industrial Education and Technology, and Mrs. Suchada Jeensuksang, Head of the International Affairs Staff, visited Universiti Teknologi PETRONAS (UTP), Malaysia. The purpose of the visit was to explore potential collaborations in academics, research, and strategic partnerships between the two universities.

The RUTS delegation engaged in discussions with UTP's Vice Provost Student Affairs, Mr. Saravanan Muthiah, Assoc. Prof. Dr. Toni Anwar, Senior Lecturer (Computing), Ts. Faizal Ahmad Fadzil, Lecturer (Computing), Mr. Azrul Hasyimi Zabidi, Senior Manager (Student Mobility Programme), and other department heads. Key topics focused on the fields of Petroleum Technology, Engineering, and Business Administration - Entrepreneurship. Currently, both RUTS and UTP are actively engaged in activities such as academic staff and student mobility programs, including the Digital AI & Robotics Camp 2025, the Upskill: English Communication Programme for RUTS Petroleum Technology students, and short courses for the RUTS and UTP Petroleum teams in collaboration with the Faculty of Industrial Education and Technology.

Additional initiatives include the Entrepreneurship Camp 2025 and a visiting lecturer program for the Digital Entrepreneurs course with the Faculty of Business Administration. The discussions also covered potential scholarships for postgraduate degrees, joint research initiatives, academic program development, and opportunities for student and staff exchanges.

RUTS & UiTM

"RUTS STRENGTHENS ACADEMIC COOPERATION THROUGH MUTUAL VISITS WITH MALAYSIAN UNIVERSITIES."

MAY 2025

“RUTS STRENGTHENS ACADEMIC COOPERATION WITH UNIVERSITI TEKNOLOGI MARA (UITM), MALAYSIA"

On May 15, 2025, during an official visit to Malaysia, an administrative delegation from Rajamangala University of Technology Srivijaya (RUTS), led by Professor Dr. Suwat Tanyaros, President of RUTS, paid a courtesy visit to Universiti Teknologi MARA (UiTM). The visit aimed to foster academic cooperation, explore joint research opportunities, and enhance mobility programs between the two institutions.

The RUTS delegation comprised Dr. Lamun Kayurin, Assistant to the President for International Affairs; Assoc. Prof. Surasit Rawangwong, Dean of the Faculty of Engineering; Asst. Prof. Chaiya Tanaphatsiri, Dean of the Faculty of Industrial Education and Technology; and Mrs. Suchada Jeensuksang, Head of the International Affairs Staff. The delegation was warmly received by UiTM’s Rector, Assoc. Prof. Dr. Ahmad Nizan Mai Noor, along with top administrators and key academic staff members.

The visit featured comprehensive academic discussions with UiTM’s Faculty of Built Environment in Perlis, focusing on collaboration in survey engineering with the Faculty of Engineering at RUTS. Key proposed areas of collaboration included:

• Student exchange programs, including Joint Survey Camps, Hands-On Training, and Course Sharing

• Teaching staff exchange, including Guest Lectures, Staff Observation, and Module Planning

• Practical training collaboration, including Joint Survey Camps and Short Training Programs

As a starting point, both institutions agreed to organize a Hydro and Survey Engineering Camp, planned for late 2025 or early 2026.

Another important focus of the discussions was the development of an International Accounting Workshop, in collaboration between the Faculty of Accountancy at UiTM Perlis and the Accounting Program under the Faculty of Business and Administration at RUTS. Both parties expressed interest in designing the workshop to meet international standards and industry requirements, with particular emphasis on academic mobility, co-teaching, and collaborative research.

In addition, the delegation discussed scholarship opportunities for postgraduate studies, aiming to support qualified students and staff from both institutions in pursuing advanced degrees in Malaysia and Thailand. These initiatives reflect the shared vision of RUTS and UiTM to promote academic excellence, global engagement, and sustainable human capital development.

This visit marked a significant milestone in strengthening institutional ties between RUTS and UiTM. Both universities reaffirmed their commitment to long-term collaboration in education, research, and innovation

RUTS EXPLORES ACADEMIC COLLABORATION WITH UNIMAP

On May 16, 2025, a delegation from Rajamangala University of Technology Srivijaya (RUTS), led by Professor Dr. Suwat Tanyaros, President of RUTS, visited Universiti Malaysia Perlis (UniMAP) to further strengthen academic cooperation between the two institutions. The main purpose of the visit was to discuss the establishment of an exchange program for visiting lecturers and the potential for credit transfer in future academic programs, particularly starting in the academic year 2026.

The RUTS delegation included Dr. Lamun Kayurin, Assistant to the President for International Affairs; Assoc.Prof. Surasit Rawangwong, Dean of the Faculty of Engineering; Asst. Prof.Chaiya Tanaphatsiri, Dean of the Faculty of Industrial Education and Technology; and Mrs. Suchada Jeensuksang, Head of the International Affairs Staff. The delegation was welcomed by UniMAP's Vice Chancellor, Yang Berbahagia Dato' Prof. Ts. Dr. Zaliman Sauli together with Prof. Ir. Dr. Mohd Shukry Abdul Majid, Deputy Vice Chancellor (Academic & International), administrators and representatives from relevant faculties.

A key discussion point was the plan to upgrade existing collaborative camps, such as the International Smart Farm Camp, into academic programs eligible for credit transfer in 2026. This initiative reflects both universities' commitment to integrating international experiential learning into formal curricula, enhancing student engagement and academic value.

As part of the visit, the RUTS team also participated in the Closing Ceremony of the RUTS & UniMAP International Collaboration Camp 2025 (Smart Farm Camp). This camp brought together students and lecturers from both institutions to engage in applied learning, interdisciplinary problem-solving, and the development of sustainable agriculture technologies. The ceremony celebrated the successful outcomes of the week-long program and emphasized the importance of ongoing collaboration in addressing real-world challenges through academic innovation and regional cooperation.

This visit illustrated the strong partnership between RUTS and UniMAP, paving the way for expanded academic exchange, joint programs, and integrated international learning experiences in the years to come.

RUTS ACCOUNTING PROGRAMME HOSTS “RUTS AND UITM INTERNATIONAL COLLABORATION CAMP 2025 (ACCOUNTING CAMP)” TO STRENGTHEN THAI-MALAYSIAN ACADEMIC PARTNERSHIP

The Accounting Programme, Faculty of Business Administration, Rajamangala University of Technology Srivijaya (RUTS), organized the “RUTS and UiTM International Collaboration Camp 2025 (Accounting Camp)” from May 25 to 29, 2025, at the Faculty of Business Administration, RUTS. The program aims to foster academic collaboration and promote cultural exchange between accounting students from RUTS and Universiti Teknologi MARA (UiTM) Cawangan Perlis, Malaysia.

The program commenced on May 26, 2025, with an official opening ceremony in the morning, followed by a professional accounting workshop designed to enhance students' technical skills and promote academic knowledge sharing between the two institutions. In the afternoon, students participated in team-building activities to strengthen interpersonal connections and collaborative networks. The day concluded with a Welcome Party to warmly receive and connect all participants.

On May 27, 2025, the camp featured a field visit to"Nod-Na-Le" Community Learning Center at Baan Tha Hin, Songkhla Province, under the theme “Case Study on Accounting Management and Sustainability Workshop: Local Entrepreneurs at Nod Na Lay Community Learning Center.” Participants were divided into groups to conduct case studies, followed by an excursion to Songkhla Old Town in the afternoon to explore the integration of the Business Model Canvas (BMC) with local cultural heritage. Students also visited key cultural and entrepreneurial landmarks, including Hub Ho Hin: Songkhla, Ban Nakhon Nai Museum, Cultural Handicraft Shop, Ice Cream Jar, Thai Desserts Café, and Songkhla Street Art. The day concluded with Afternoon Tea and group discussions at the RUTS SDGs Corner Canteen in preparation for final presentations.

On May 28, 2025, the morning session featured a Pitching Competition with presentations on the topics “MA & Sustainability: A Case Study of Nod Na Lay” and “BMC & Entrepreneurs: Case Studies of Local Entrepreneurs in Songkhla Old Town,” held in Room 06203. In the afternoon, a workshop titled “AI in Accounting” was conducted by UiTM experts. The evening concluded with a Farewell Dinner that included cultural performances, award presentations, and recreational activities at the RUTS SDGs Corner.

The program concluded on May 29, 2025, with a certificate presentation ceremony for all participants, followed by the official closing ceremony.

The “RUTS and UiTM International Collaboration Camp 2025 (Accounting Camp)” serves as a significant initiative aligned with the Faculty of Business Administration’s internationalization strategy. It provides students with valuable opportunities to enhance their academic capabilities, develop cross-cultural communication skills, and gain meaningful international experience in a diverse global context.

RUTS–UTP INTERNATIONAL COLLABORATION CAMP 2025 (ENTREPRENEURSHIP CAMP)

During June 12th to 16th, 2025, Rajamangala University of Technology Srivijaya (RUTS) and Universiti Teknologi Petronas (UTP) successfully co-hosted the RUTS–UTP International Collaboration Camp 2025 (Entrepreneurship Camp), with UTP serving as the host this year. The event included together 41 lecturers and students from RUTS, representing various faculties from the Songkhla, Nakhon Si Thammarat, and Trang campus.

The primary focus of the camp was a dynamic Hackathon program, which aimed to cultivate innovation, creative problem-solving, and entrepreneurial thinking among participants. Through a serie of team-based challenges, the Hackathon encouraged collaboration, leadership, and the practical application of newly acquired skills and digital tools.

These activities also emphasized the importance of community engagement and real-world impact, motivating participants to develop solutions that address local or global challenges.

In addition to the Hackathon, the camp featured a pitching competition, where teams presented their innovative ideas to a panel of judges, gaining valuable experience in business communication and project presentation. Participants also took part in a rich cultural exchange, which allowed students and from both universities to share traditions, foster international friendships and deepen cross-cultural understanding.

Overall, RUTS–UTP International Collaboration Camp 2025 not only strengthened academic and entrepreneurial collaboration between the two institutions but also provided an inspiring platform for participants to grow as future leaders and innovators.

THE 2025 TIMES HIGHER EDUCATION (THE) IMPACT RANKINGS

On 18 June 2025, Rajamangala University of Technology Srivijaya has been ranked in the 2025 Times Higher Education (THE) Impact Rankings. This year, RUTS participated in 17 out of 17 Sustainable Development Goals (SDGs) and we are proud to share that all SDGs have been ranked in a successful position, as well as retain the top 1000 universities from over 2,389 universities over the world.

Rajamangala University of Technology Srivijaya has been ranked 1st in RMUT, ranked 7th (joint) in Thailand and 801-1000th in the world, also RUTS has been overall ranked 801-1000th in the World, including 4 SDGs composed of

SDG 14: Life below Water, worldwide ranked at 98
SDG 15: Life on Land, worldwide ranked at 101-200
SDG 2: Zero Hunger, worldwide ranked at 201-300
SDG 17: Partnerships for the Goals, worldwide ranked at 401-600

RUTS still give a great importance to sustainable development and this described the success as the outcome of a collective effort from various parties. The rankings inspire and motivate us to achieve excellence and make a significant impact in the region.

RUTS would like to give a special thanks to SDGs Team and those who had been involved in the implementation of such measures, and in qualifying RUTS and ensuring success with the recognition.

RUTS AND UITM PERLIS FORGE STRATEGIC PARTNERSHIP IN HYDROGRAPHY & SURVEY EDUCATION

JUNE 2025

RUTS and UiTM Perlis Forge Strategic Partnership in Hydrography & Survey Education

On June 30, 2025, the Faculty of Engineering, Rajamangala University of Technology Srivijaya (RUTS), Thailand, recently hosted a delegation from Universiti Teknologi MARA (UiTM) Perlis, Malaysia, as part of a collaborative initiative to strengthen regional academic cooperation in hydrography and survey engineering.

The UiTM delegation led by Dr. Rohayu Haron Narashid, Head of Learning Centre and the academic representatives from the Faculty of Built Environment (FBE) was officially welcomed by Assoc. Prof. Surasit Rawangwong, Dean of the Faculty of Engineering. The welcome was joined by RUTS Assistant to President for International Affairs, Dr. Lamun Kayurin, along with administrators, lecturers, and staff from the Faculty of Engineering and the International Affairs Office.

The visit marked a significant milestone with the joint signing of a Letter of Intent (LOI) titled "Hydrography and Survey Collaboration," which outlines a strategic plan to advance practical education, academic exchange, and collaborative research between the Faculty of Built Environment, UiTM Perlis, and the Faculty of Engineering, RUTS.

Key areas of collaboration include student mobility through participation in UiTM's hydrography survey camps, where students will gain hands-on experience using Single Beam Echo Sounders (SBES), Differential GNSS (DGNSS), and Sound Velocity Profilers (SVP). The partnership also supports lecturer exchange through short-term guest lectures and teaching observations between the two faculties. In addition, both institutions will co-organize survey camps and short training programs in either Thailand or Malaysia. Participants in these activities will receive a certificate of completion, which may be used for internal credit transfer within RUTS academic programs.

The first collaborative activity is scheduled for late 2025 or early 2026, with future plans to expand into curriculum co-development, dual delivery, and potential MBES integration supported by industry partners.

This partnership represents a meaningful step toward enhancing hydrography skills, promoting student and staff mobility, and building a foundation for long-term academic cooperation between RUTS and UiTM.

JULY 2025

CURRICULUM DEVELOPMENT PROJECT WITH INTERNATIONAL INSTITUTIONS

Rajamangala University of Technology Srivijaya Strengthens Accounting Curriculum through International Collaboration

Rajamangala University of Technology Srivijaya (RUTS), through the Faculty of Business Administration, is proud to host a Curriculum Development Project for the Accounting Programme in collaboration with internationally recognized institutions. Taking place from 8th to 10th July 2025, the project brings together academic leaders and experts from the University of Essex (United Kingdom), Prof. Dr. Shahzad Uddin, Universiti Teknologi MARA Cawangan Perlis (Malaysia), Assoc. Prof. Dr. Azrul bin Abdullah, C.A.(M) and Dr. Norshamshina binti Mat Isa, and from the Universiti Sains Malaysia (Malaysia), Assoc. Prof. Dr. Zulnaidi Yaacob.

The event was officially welcomed and led by Dr. Lamun Kayurin, Assistant to the President, who expressed her enthusiasm for fostering international collaboration and academic advancement through this initiative. Also in attendance were Asst. Prof. Supinda Jones, Head of the Accounting Programme at RUTS; RUTS lecturers Asst. Prof. Dr. Benjamin Chanakot, Asst. Prof. Puriwat Lertkrai, and Mr. Phusana Polsongkram from the Faculty of Management Technology; Dr. Siriwan Kingrat from the College of Hospitality and Tourism; Asst. Prof. Arthit Sutjasen from the College of Industrial Technology and Management; Ms. Supaporn Kongchi from the Faculty of Business Administration; as well as staff and students from the Faculty of Business Administration and the International Affairs Office.

This strategic partnership aims to enhance the quality and relevance of RUTS's Accounting Programme by aligning it with global standards, integrating innovative teaching and learning practices, and preparing graduates to thrive in an increasingly competitive and internationalized business environment.

Over the three-day event, participating institutions will engage in knowledge sharing, curriculum benchmarking, academic workshops, and roundtable discussions focused on curriculum structure, industry trends, digital transformation in accounting education, and quality assurance processes. These collaborative efforts are expected to result in a more dynamic, globally oriented curriculum that addresses both local and international workforce demands.

This proposed combined Bachelor–Master program represents a forward-thinking step toward developing high-quality, future-ready accounting graduates within just three years. It enhances institutional competitiveness, addresses workforce needs, and supports national objectives for higher education modernization.

The project underscores RUTS's commitment to academic excellence, international engagement, and the continuous improvement of its academic offerings to meet the needs of a rapidly evolving global economy. By working closely with esteemed international partners, RUTS reaffirm its role as a forward-thinking institution dedicated to producing high-quality, industry-ready graduates in the field of accounting.

RUTS Prepares to Welcome Visiting Lecturer from Universiti Malaysia Perlis (UniMAP)

International Affairs, Office of the President together with the Faculty of Industrial Education and Technology at Rajamangala University of Technology Srivijaya (RUTS) are pleased to announce its preparations to welcome a visiting lecturer, Assoc. Prof. Ts. Dr. Phaklen Ehkan, from the Faculty of Electronic Engineering & Technology, Universiti Malaysia Perlis (UniMAP) as part of an ongoing academic collaboration between the two institutions. The visit, scheduled to take place from 17th to 30th August 2025, reflects the shared commitment of RUTS and UniMAP to promote cross-border academic exchange, knowledge sharing, and international cooperation in technical education. The visiting lecturer will engage in a series of academic activities, including guest lectures, student workshops, and discussions with faculty members aimed at strengthening academic networks and exploring future collaborative projects.

In preparation for the visit, RUTS has coordinated across departments to ensure a productive and welcoming experience. Administrative arrangements, academic scheduling, and logistical support are being finalized to provide a smooth and enriching environment for both the guest lecturer and the university community.

This initiative marks another important milestone in the strategic partnership between RUTS and UniMAP, following recent cooperative engagements such as joint seminars and the signing of an Memorandum of Agreement (MoA) to foster academic collaboration. RUTS looks forward to the visit and is confident that this exchange will further enhance mutual understanding and academic excellence between the two institutions.

AUGUST 2025

On August 4, 2025, Rajamangala University of Technology Srivijaya (RUTS) warmly welcomed a delegation from Universiti Utara Malaysia (UUM) as part of ongoing efforts to strengthen academic collaboration between the two universities. The UUM delegation was led by Dr. Azahar Kasim, Manager for Regional East Asia and Southeast Asia, along with Mr. Muhammad Hafidz Baharudin and Mr. Mohd Azri Aziz from the Center of International Affairs and Cooperation, Universiti Utara Malaysia.

The visit was hosted by Dr. Lamun Kayurin, Assistant to the President of RUTS, together with Assoc. Prof. Dr. Boonyarit Omanee, Dean of the Faculty of Liberal Arts, and Dr. Kittiya Phisutthangkoon, Assistant Dean for International Affairs and International Cooperative Education, Faculty of Liberal Arts.

The meeting, held at the International Affairs Office, Office of the President, aimed to discuss potential areas of cooperation, with a particular focus on joint academic activities and future student mobility programs. Both parties expressed mutual interest in fostering sustainable international partnerships through academic exchanges and collaborative projects.

This visit marks a promising step toward expanding regional academic engagement and promoting cross-cultural learning opportunities between Thailand and Malaysia.

RUTS–UNIMAP INTERNATIONAL COLLABORATION ENGINEERING CAMP 2025

On 5 August 2025, the Faculty of Engineering, Rajamangala University of Technology Srivijaya (RUTS), in collaboration with the Office of International Affairs, organized the official opening ceremony of the RUTS–UniMAP International Engineering Camp 2025 at the Faculty of Engineering. The program was held during 4–8 August 2025, with participation from students and academic staff of Universiti Malaysia Perlis (UniMAP), Malaysia.

The opening ceremony commenced with the national anthems of Thailand and Malaysia, followed by institutional introduction videos from both universities. These activities were designed to enhance mutual understanding and foster positive institutional relationships. The program on the opening day comprised an Ice-Breaking activity, aimed at creating a friendly and inclusive atmosphere for student interaction and cultural exchange. In addition, a seminar for university executives was conducted to discuss prospective research initiatives and academic collaboration. Faculty members of RUTS also delivered introductions to various engineering programs, representing the breadth of disciplines within the Faculty of Engineering.

The RUTS–UniMAP International Engineering Camp 2025 was implemented with the objective of strengthening intercultural understanding, advancing academic engagement, and promoting sustainable international cooperation in higher education. The program represents a strategic milestone in the ongoing development of RUTS's international academic partnerships.

RUTS & UITM INTERNATIONAL COLLABORATION STUDENT UNION CAMP 2025

This program was designed as a collaborative platform to foster student leadership, intercultural competence, and cross-border cooperation between student unions of both institutions.

The five-day camp will bring together student union leaders, academic staff, and guest speakers from both institutions. Activities include leadership workshops, cultural exchange, SDG innovation labs, community service projects, and cultural tours in Songkhla. Key highlights feature student-led sustainable development initiatives, leadership showcases, and a farewell cultural night celebrating ASEAN diversity.

Expected outcomes include the drafting of a Joint Action Plan for student union collaboration, mini-project proposals aligned with the Sustainable Development Goals, and strengthened institutional partnerships. This initiative reflects the commitment of RUTS and UiTM to nurturing globally minded, socially responsible youth leaders in line with ASEAN Vision 2025.

RUTS & UITM INTERNATIONAL COLLABORATION STUDENT UNION CAMP 2025

On 18 August 2025, student representatives from Rajamangala University of Technology Srivijaya (RUTS) welcomed the delegation from Universiti Teknologi MARA (UiTM), Shah Alam upon their arrival at the Padang Besar border. The RUTS team assisted UiTM students and staff with travel arrangements, guided them through local procedures, and ensured a smooth transfer to their accommodation at Lake Inn Hotel in Songkhla Old Town.

This warm reception not only provided practical support but also reflected the commitment of RUTS to fostering friendship and cross-cultural understanding from the very first day of the camp.

The welcoming activity marked the official start of the RUTS & UiTM International Collaboration Student Union Camp 2025, setting a positive tone for the days ahead. With both Thai and Malaysian students meeting for the first time, the atmosphere was filled with excitement and anticipation, embodying the camp's theme of "Unity in Diversity: Empowering Future ASEAN Leaders."

RUTS & UITM INTERNATIONAL COLLABORATION STUDENT UNION CAMP 2025

On 19 August 2025, the RUTS & UiTM International Collaboration Student Union Camp 2025 officially began with meaningful cultural and community-based activities. The day commenced with a Local Engagement session at the Tha Hin Community, led by Mrs. Poonsup Chukeaw, the community leader. This activity provided students with the opportunity to engage directly with local residents, gaining insights into cultural traditions and sustainable practices while fostering mutual understanding and collaboration between the universities and the community. Participants also enjoyed hands-on learning experiences such as making herbal soap, preparing traditional Thai desserts from toddy palm, and practicing rice weaving, allowing them to acquire practical skills while appreciating local wisdom as well as explored the unique "Nod-Na-Le" lifestyle of the Sathing Phra Peninsula, which reflects the close connection between people and their natural surroundings The day's activities offered students not only a deeper appreciation of cultural heritage but also practical lessons in sustainability, resilience, and community leadership, perfectly aligning with the camp's theme

RUTS & UITM INTERNATIONAL COLLABORATION STUDENT UNION CAMP 2025

On 20 August 2025, the RUTS & UiTM International Collaboration Student Union Camp 2025 highlighted the theme "Youths for a Sustainable Future" through a series of academic workshops, keynote talks, and interactive sessions. The program began with insightful keynote addresses from RUTS experts on the role of student unions in promoting the Sustainable Development Goals (SDGs) and the application of the Business Model Canvas

Following the talks, students participated in a Design Thinking workshop facilitated by Dr. Lamun Kayurin, Asst. Prof. Arthit Sutjasen, and Mr. Phusana Polsongkram, where they worked in groups to develop project ideas aligned with the SDGs. These sessions encouraged participants to integrate creativity, problem-solving, and critical thinking in addressing real-world challenges. The day concluded with BMC project pitching presentations, where students demonstrated their leadership and communication skills by articulating innovative solutions for sustainable development.

Beyond the academic program, students engaged in team sports at Chalatat Beach, creating an atmosphere of camaraderie and cross-cultural bonding. This balance of intellectual challenge and physical activity not only strengthened teamwork but also embodied the camp's vision of empowering youth leaders who are resilient, collaborative, and future-oriented.

RUTS & UITM INTERNATIONAL COLLABORATION STUDENT UNION CAMP 2025

On 21 August 2025, the RUTS & UiTM International Collaboration Student Union Camp 2025 marked a significant highlight with its Opening Ceremony, held under the theme "Voice, Vision & Values." The ceremony was graced by the presence of Prof. Dr. Haji Mohd Sazili Shahibi, Deputy Vice Chancellor (Students Affairs) of UiTM, and Dr. Firdaus Mohamad, Chairman of the Principal Council, whose participation emphasized the strong collaboration between the two institutions. Prof. Dr. Haji Mohd Sazili also delivered an engaging session on "Institutional Brilliance Through Student-Centric Leadership: A Malaysian Model," inspiring students with practical insights into effective leadership.

The afternoon program featured a series of Student Leadership Showcases, including a campus tour and interactive storytelling activities in Songkhla Old Town. Students visited key cultural landmarks such as the Red Rice Mill Hub Ho Hin Heritage site, engaged in guided storytelling walks, and took part in a Quick Sketch activity, where they creatively captured the essence of Songkhla's historical and cultural identity. These activities not only deepened students' understanding of local heritage but also allowed them to reflect on leadership through the lens of cultural preservation and community values. The day concluded with a vibrant Farewell Dinner,

featuring cultural performances and the Prize Pitching Competition, where students presented their innovative SDG-focused projects developed during the camp. The evening was filled with cultural exchange, celebration, and recognition of the participants' hard work, symbolizing both the conclusion of the camp's academic program and the strengthening of cross-cultural friendships.

RUTS & UITM INTERNATIONAL COLLABORATION STUDENT UNION CAMP 2025

On 22 August 2025, the RUTS & UiTM International Collaboration Student Union Camp 2025 came to a meaningful conclusion with a day of reflection and celebration. The program began with a Student Sharing Session, where participants exchanged their experiences, insights, and lessons learned from five days of leadership workshops, cultural exchange, and community engagement. This session allowed students to express how the camp had enriched their perspectives on cross-cultural collaboration and inspired them to take on future leadership roles within the ASEAN context.

Following the reflections, a Certificate and Souvenir Presentation Ceremony was held to recognize the dedication and active participation of both RUTS and UiTM students. Certificates of participation were presented to all participants, while souvenirs served as memorable tokens symbolizing the friendship, unity, and collaboration forged during the camp.

The event culminated with the Closing Ceremony, marking the official end of the camp. University representatives from RUTS and UiTM congratulated the participants and reaffirmed their institutions' shared commitment to empowering youth leaders who are resilient, innovative, and globally minded. The ceremony not only celebrated the success of the program but also highlighted the vision of sustaining long-term cooperation between the two universities.

INTERNATIONAL COLLABORATION CAMP 2025 (DIGITAL INNOVATION CAMP)

From 18th to 22nd August 2025, Rajamangala University of Technology Srivijaya (RUTS) proudly hosted the RUTS and UUM Collaboration Camp 2025 (Digital Innovation Camp), organized under the Faculty of Science and Technology and led by Mr. Suthum Chumpromyat, Dean of the Faculty of Science and Technology. The program brought together 85 participants, including RUTS lecturers and students from the Faculties of Science and Technology, Engineering and Technology, and Business Administration. The camp aimed to strengthen the expertise of both students and staff in the field of digital innovation, with a strong emphasis on enhancing digital skills, creativity, and practical knowledge to prepare participants for the challenges of a technology-driven future.

INTERNATIONAL COLLABORATION CAMP 2025 (DIGITAL INNOVATION CAMP)

DAY 1

On 18th August 2025, the delegates from Universiti Utara Malaysia (UUM) arrived in Thailand, where they were warmly welcomed and picked up at the Sadao border by representatives from the Faculty of Science and Technology, RUTS Nakhon Si Thammarat Campus (Sai Yai), including both lecturers and student volunteers. This warm reception set the tone for the week of academic and cultural collaboration ahead.

DAY 2

On 19th August 2025, Dr. Lamun Kayurin, Assistant to the President and Leader of the International Collaboration Camp 2025, presided over the opening ceremony to officially welcome all participants. The event marked the formal start of the program, setting a positive atmosphere for collaboration, learning, and engagement throughout the week. On the same day, participants also attended the academic session on Digital Innovation Concepts, which introduced fundamental principles of digital innovation, such as the integration of emerging technologies, creative problem-solving approaches, and the application of digital tools across various fields. This session provided valuable insights and laid the foundation for the collaborative activities and projects that followed.

DAY 4

On 21st August 2025, the focus shifted to Final Prototype Refinement and Pitching, a key highlight of the camp. Participants worked in groups to fine-tune their prototypes, incorporating feedback from earlier sessions and applying new knowledge from the workshops. The atmosphere was charged with collaboration, creativity, and critical thinking as students and lecturers transformed ideas into practical solutions.

During the pitching session, each group presented their prototypes before peers, mentors, and faculty members. The process showcased their technical skills, creativity, and presentation abilities, while constructive feedback encouraged them to view challenges as opportunities for growth.

The day ended with a strong sense of achievement, as participants gained confidence, strengthened teamwork under pressure, and recognized the importance of adaptability in innovation—key qualities for future leaders in the digital era.

DAY 5

Finally, the closing ceremony was held on 22nd August 2025, bringing the week-long program to a memorable conclusion. The ceremony featured cultural performances that highlighted the richness of Thai traditions and strengthened the sense of friendship and mutual understanding between the two universities. A highlight of the event was the presentation of certificates to all participants, recognizing their dedication, hard work, and achievements throughout the camp. The closing remarks emphasized the importance of sustaining the connections built during the program and encouraged participants to continue applying the skills and experiences gained in their academic and professional journeys. The event not only celebrated the success of the camp but also reinforced the shared commitment of RUTS and UUM to fostering academic collaboration, cultural exchange, and digital innovation for the future.

DAY 1

On 19th August 2025, the camp was officially opened by Asst. Prof. Sittichoke Janyong, Vice President of RUTS, together with Dr. Lamun Kayurin, Assistant to the President and Leader of the International Collaboration C amp 2025. Both extended a warm welcome to all to all participants and emphasized the importance of academic collaboration and cultural understanding. Following the opening, participants joined an academic idea-sharing and brainstorming session, exchanging perspectives and developing creative solutions through collaborative discussions. In the afternoon, they engaged in recreational learning and environmental conservation by participating in a beach clean-up and nature collection activity at Chao Mai Beach. This activity not only fostered teamwork but also cultivated a sense of environmental responsibility and sustainability awareness.

SEPTEMBER 2025

RUTS WELCOMES UNIMAP ACADEMIC AS VISITING LECTURER TO STRENGTHEN INTERNATIONAL COLLABORATION

The International Affairs Division, Office of the President, led by Dr. Lamun Kayurin, Assistant to the President for International Affairs, in collaboration with the Faculty of Industrial Education and Technology, headed by Asst. Prof. Chaiya Thanaphatsiri, Dean of the Faculty, together with the executive team and faculty staff, formally welcomed Assoc. Prof. Ts. Dr. Phaklen Ehkan from the Faculty of Electronic Engineering & Technology, Universiti Malaysia Perlis (UniMAP), on the occasion of his appointment as a Visiting Lecturer from 17 to 30 August 2025 at the Faculty of Industrial Education and Technology.

During this engagement, Assoc. Prof. Ts. Dr. Phaklen Ehkan provided academic contributions across four programs: Mechatronics Engineering, Electrical Engineering, Telecommunications and Network Systems (Continuing Program), and Petroleum Technology.

The Visiting Lecturer Program is designed to enhance English language competencies among faculty members and students, encourage the exchange of pedagogical practices, and support curriculum development as well as innovative teaching models such as Co-Teaching and Micro-Teaching. Furthermore, the program aims to cultivate an internationalized learning environment and expand the university's global academic collaboration network.

SEPTEMBER 2025

UNIMAP IOT EXPERT JOINS RUTS AS VISITING LECTURER

The International Affairs Division, Office of the President, led by Dr. Lamun Kayurin, Assistant to the President for International Affairs, in collaboration with the Faculty of Engineering, under the leadership of Assoc. Prof. Surasit Rawangwong, Dean of the Faculty, together with the administrative team and academic staff, formally welcomed Assoc. Prof. Ts. Dr. Phaklen Ehkan from the Faculty of Electronic Engineering & Technology, Universiti Malaysia Perlis (UniMAP), on the occasion of his engagement as a Visiting Lecturer from 15 to 26 September 2025 at the Faculty of Engineering.
During this appointment, Assoc. Prof. Ts. Dr. Phaklen Ehkan will deliver lectures and conduct hands-on practical sessions on a variety of topics, including:

- IoT Innovation and Sensor-to-Platform Integration
- Collaborative IoT Innovation in Civil and Computer Engineering
- Utilization and Application of IoT Tools such as ESP32, NodeMCU, and Online Dashboards
- Communication Between Sensors and IoT Platforms
- The Engineering Design Process and Project Management

He will co-teach alongside Asst. Prof. Thanakorn Intasut and Mr. Nattaphon Noorit. This initiative aims to foster the exchange of expertise with an international specialist, strengthen the English proficiency of faculty members and students, and enhance students' learning competencies in line with emerging technologies.

SEPTEMBER 2025

INTERNATIONAL PARTNER UNIVERSITIES PARTICIPATE IN THE RUTS GRADUATION CEREMONY FOR THE ACADEMIC YEAR 2024

On 10 September 2025, Rajamangala University of Technology Srivijaya (RUTS) had the distinct privilege of hosting representatives from its international partner institutions on the occasion of the Graduation Ceremony for the academic year 2024.

Universiti Malaysia Perlis (UniMAP) was represented by delegates appointed by the Vice Chancellor, namely:

1. Assoc. Prof. Ir. Dr. Umi Fazara Md. Ali, Director, Centre for International Engagement (CIE)
2. Assoc. Prof. Ts. Dr. Phaklen Ehkan, Senior Lecturer, Faculty of Electronic Engineering Technology

Representatives from Universiti Teknologi MARA (UiTM) included:

1. Mr. Wan Mohd Yaseer Mohd Abdoh, Deputy Rector for Student Affairs
2. Mr. Ihsan Syadid Mohd Azmi, Deputy Engineer

The presence of these distinguished delegates underscored the strong and enduring academic partnerships between RUTS and its international collaborators. Their participation was graciously supported by the International Affairs Division, Office of the President, under the leadership of Dr. Lamun Kayurin, Assistant to the President for International Affairs, who ensured comprehensive coordination and warm hospitality throughout the event.

TIMES HIGHER EDUCATION SUSTAINABILITY IMPACT RATINGS 2026

In her keynote address, Dr. Lamun emphasized the importance of aligning institutional strategies with the United Nations' 2030 Agenda and reaffirmed RUTS's commitment to addressing global challenges through education, research, innovation, and community engagement. She also shared the following key topics:

- RUTS Data Point: A comparative analysis of the university's performance between the Impact Rankings 2024 and 2025.
- Sustainability Impact Ratings Masterclass: Practical guidelines on effective participation in the Sustainability Impact Rating process.
- SDGs Methodology: Key criteria, benchmarks, and indicators used in the evaluation process.
- SDGs Form 2026: Updates and detailed instructions for data collection, preparation, and submission.

TIMES HIGHER EDUCATION SUSTAINABILITY IMPACT RATINGS 2026

Looking ahead, she stressed the importance of ensuring accuracy, transparency, and completeness of all submitted data to secure stronger results in the upcoming THE Sustainability Impact Ratings 2026, which will be officially released on 4 November 2025.

To further strengthen RUTS's preparation, the Office of International Affairs will host a follow-up meeting on 24–26 October 2025, also at Siva Royal Hotel, Phatthalung, focusing on data verification, peer review, and final readiness before submission. This meeting will serve as a critical platform for cross-checking data, sharing best practices, and ensuring alignment with THE's guidelines.

Dr. Lamun concluded by encouraging all SDG working teams to continue their efforts with a spirit of collaboration and innovation, reaffirming that RUTS is committed to positioning itself as a leading sustainable university in the region and beyond.

INTER BREAKING NEWS

As part of the campus tour, the Office of International Affairs, in collaboration with the Faculty of Business Administration, provided a TUK TUK—an initiative of the Faculty—for the UTP delegates.

The first station was the Faculty of Architecture, where the delegation was welcomed by the Dean and faculty representatives. The visit included tours of the Fashion Design and Textile Program's research facilities, as well as a presentation showcasing teaching and learning activities along with students' presentation of creative works.

The second station was the Faculty of Engineering, where the Vice Dean introduced the Faculty, followed by a presentation from student leaders on university organization and related activities.

Next, the delegation visited the Faculty of Industrial Education and Technology, where they were warmly greeted by the Dean, faculty members, and student union representatives. Students shared insights about their organization and highlighted past student union activities.

The visit concluded at Farm Cup Café, operated by students of the Faculty of Liberal Arts as part of their training program. The delegation was welcomed by the Vice Dean and faculty representatives, who introduced the Faculty while signature coffee drinks and desserts prepared by students were served.

The visit not only reinforced the long-standing partnership between Universiti Teknologi Petronas and Rajamangala University of Technology Srivijaya but also as the continuing opportunities for collaboration in academic and student development. Both institutions expressed their commitment to continuing joint initiatives, fostering mutual growth, and strengthening ties for future cooperation.

Dr. Lamun Kayurin emphasized that RUTS's participation in the 2026 rating reflects the university's commitment to advancing the United Nations Sustainable Development Goals (SDGs) and integrating sustainability into teaching, research, and community engagement. During the event, representatives from RUTS faculties and campuses collaborated to compile and update data for each of the 17 SDGs as part of the university's submission to THE. The sessions included data verification, case studies, and best practice sharing to ensure that RUTS's achievements in sustainability are accurately represented.

RUTS OFFICIALS VISIT KUNMING RAILWAY VOCATIONAL AND TECHNICAL COLLEGE

On November 17, Prof. Dr. Suwat Tanyaros, President of Rajamangala University of Technology Srivijaya (RUTS), together with Dr. Lamun Kayurin, Assistant to the President; Assoc. Prof. Surasit Rawangwong, Dean of the Faculty of Engineering; Asst. Prof. Chainun Panyavoodso, Dean of the Faculty of Business Administration; Asst. Prof. Dr. Boonyarit Omanee, Dean of the Faculty of Liberal Arts; Asst. Prof. Chaiya Tanaphatsiri, Dean of the Faculty of Industrial Education and Technology; and Aj. Rachawadee Chanthong, Lecturer from the Faculty of Science and Technology, conducted an official visit to Kunming Railway Vocational and Technical College. During the visit, the delegation was provided with a comprehensive tour of the college's training facilities and engaged in formal discussions focused on strengthening institutional relations, deepening mutual understanding, and identifying potential areas for future collaboration.

The visit also included a warm welcome from President Li Ruilin, along with representatives from key departments and academic units, to the RUTS delegation. Both institutions viewed promotional presentations highlighting their respective achievements and emphasizing key developments in their ongoing collaboration. This collaborative interaction provided a meaningful opportunity to reflect on a partnership that has steadily progressed since the signing of the initial Memorandum of Understanding in 2019. Moreover, the visit was seen not only as a gesture of support for trainees and students but also as an important opportunity to look back on shared achievements and outline a vision for future development. Both institutions expressed confidence that their cooperation will continue to expand and deepen in the years ahead.

NOVEMBER 16TH – 20TH, 2025

During the meeting, the President reaffirmed the university's strong commitment to its partnership with Kunming Railway Vocational and Technical College. He expressed hope that the visit would help promote further collaboration, particularly in areas such as faculty exchanges, student mobility, and joint curriculum development. Additionally, both sides explored opportunities for further cooperative initiatives, including faculty exchange programs, curriculum design, and joint textbook development.

Furthermore, the visit concluded on a highly positive moment, as it not only strengthened the long-standing friendship between the two institutions but also established a strong foundation for continued collaboration. Both sides shared a strong commitment to jointly advancing the development of high-quality railway technical talents with an international outlook. This renewed cooperation is expected to provide new energy to China–Thailand railway talent development and support the broader goal of strengthening educational and technical ties between the two countries.

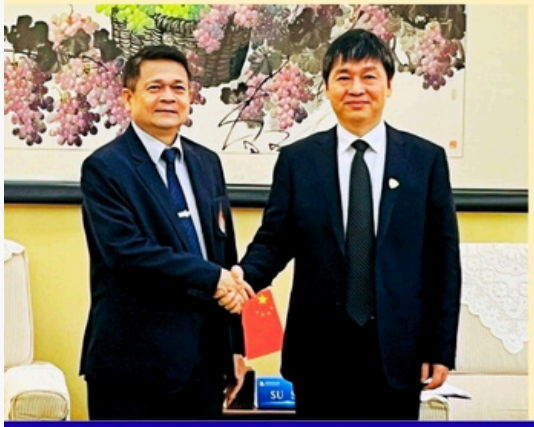
RUTS AND CQUPT STRENGTHEN ACADEMIC PARTNERSHIP THROUGH OFFICIAL VISIT



On November 18, during the second day of Rajamangala University of Technology Srivijaya's (RUTS) academic visit to China, an official delegation led by Prof. Dr. Suwat Tanyaros, President of RUTS, visited Chongqing University of Posts and Telecommunications (CQUPT) to explore new opportunities for academic cooperation and talent development.

The delegation included Dr. Lamun Kayurin, Assistant to the President; Assoc. Prof. Surasit Rawangwong, Dean of the Faculty of Engineering; Asst. Prof. Chainun Panyavoodso, Dean of the Faculty of Business Administration; Asst. Prof. Dr. Boonyarit Omanee, Dean of the Faculty of Liberal Arts; Asst. Prof. Chaiya Tanaphatsiri, Dean of the Faculty of Industrial Education and Technology; and Aj. Rachawadee Chanthong, Lecturer from the Faculty of Science and Technology.

Upon arrival, Prof. Su Sen, President of CQUPT, warmly welcomed the delegation and highlighted the university's strengths in information and communication engineering, digital technology innovation, and international education. He emphasized the positive outcomes of the existing cooperation with RUTS and expressed strong interest in expanding the partnership into a long-term and strategic collaboration.

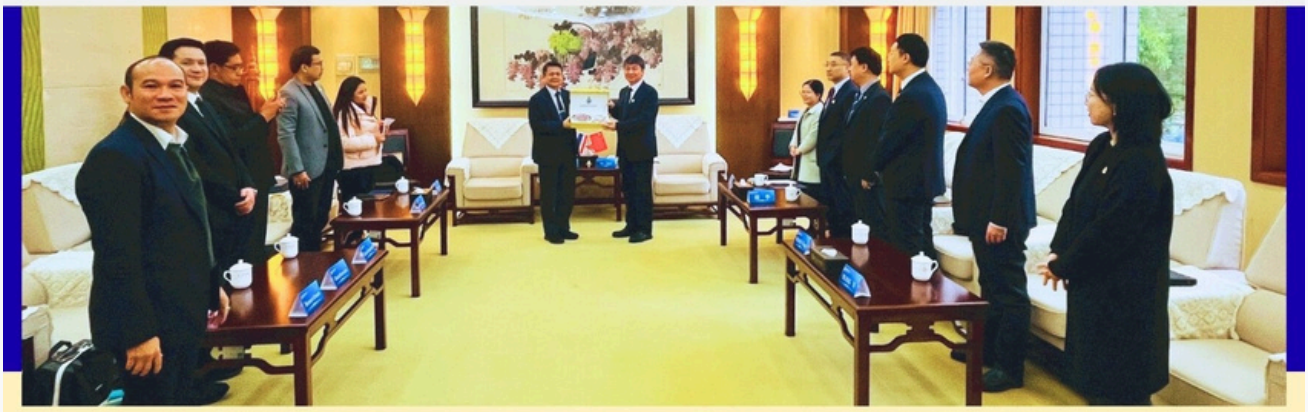
Prof. Suwat expressed his appreciation for the warm hospitality and reaffirmed RUTS's commitment to internationalization and producing globally competent graduates. He noted that the visit created valuable opportunities to deepen partnerships and develop new academic initiatives.

NOVEMBER 2025

International Affairs RUTS

INTER BREAKING NEWS 2025

NOVEMBER 16TH - 20TH, 2025



During the meeting, the two institutions held focused discussions across key faculties.

The Faculty of Business Administration explored collaboration in digital business, logistics, international trade, and entrepreneurship, including joint training programs, faculty exchanges, student mobility, and research in FinTech and intelligent business systems.

The Faculty of Engineering discussed cooperation in telecommunications engineering, AI, IoT, robotics, and smart city technologies, with plans for joint research, dual-degree opportunities, student exchanges, and co-supervised senior projects.

The Faculty of Industrial Education and Technology focused on technical teacher development, educational technology, and vocational innovation through joint workshops, collaborative research, staff exchanges, and digital learning development. CQUPT also shared its experience in modernizing teaching laboratories.

The Faculty of Liberal Arts explored opportunities in language education and cultural exchange, including Chinese–Thai language programs, immersion camps, academic seminars, and student exchanges, along with collaboration on language technology.

These discussions strengthened academic connections and opened new pathways for collaborative teaching, research, and student development between RUTS and CQUPT.

This visit represents an important milestone in enhancing the long-standing relationship between the two universities and reaffirms their shared commitment to advancing academic collaboration, international education, and innovation-driven development.

RUTS OFFICIAL DELEGATION VISITS SOUTHWEST UNIVERSITY (SWU) TO ADVANCE ACADEMIC COOPERATION

On November 19, the delegation from Rajamangala University of Technology Srivijaya (RUTS), led by Prof. Dr. Suwat Tanyaros, continued its academic visit to China with an official stop at Southwest University (SWU). The visit aimed to build stronger academic relations and explore new collaborative avenues between the two universities.

Accompanying the president were Dr. Lamun Kayurin, Assistant to the President; Assoc. Prof. Surasit Rawangwong, Dean of Engineering; Asst. Prof. Chainun Panyavoodso, Dean of Business Administration; Asst. Prof. Dr. Boonyarit Omanee, Dean of Liberal Arts; Asst. Prof. Chaiya Tanaphatsiri, Dean of Industrial Education and Technology; and Aj. Rachawadee Chanthong, Lecturer from the Faculty of Science and Technology.

Upon arrival, the delegation was warmly welcomed by senior representatives of SWU, including Prof. Zhang Weiguo, Party Secretary; Prof. Jin Yongjun, Director of the President's Office; Prof. Zhang Yuansong, Party Secretary of the International College; and Prof. Chu Xiuwei, Deputy Director of the Office of International Cooperation and Exchanges (OICE). The meeting was supported by Ms. Suteetida Sangchote, a student at the International College, who served as interpreter throughout the visit.

NOVEMBER 2025

International Affairs RUTS

2025 INTER BREAKING NEWS

NOVEMBER 16TH – 20TH, 2025

The SWU leadership introduced the university's academic strengths in education, applied sciences, technology development, and intercultural studies, expressing strong interest in expanding long-term cooperation with RUTS.

During the meeting, Prof. Dr. Suwat Tanyaros highlighted RUTS's focus on global engagement and its commitment to preparing students for an increasingly internationalized workforce. He noted that collaboration with SWU would open new opportunities in both academic development and student capacity-building.

Discussions during the meeting focused on specific areas of collaboration across several faculties.

The Faculty of Business Administration highlighted plans for upskilling programs and student exchange activities aimed at enhancing business knowledge and international experience.

The Faculty of Industrial Education and Technology explored possibilities for technical teacher development, joint research projects, creation of shared instructional material, and broader upskilling initiatives.

The Faculty of Engineering discussed opportunities for student exchanges and other engineering-related collaborations that align with SWU's strengths in science and technology.

The Faculty of Liberal Arts proposed cooperation in a 2+2 Chinese language joint degree, summer camps, trainee exchanges for Chinese-language teaching, cultural immersion programs, and other academic activities that support language learning and cross-cultural understanding.

In addition, both institutions expressed interest in jointly developing a Master's degree program, which would further strengthen academic pathways and expand opportunities for postgraduate study between RUTS and SWU.

The discussions laid a solid foundation for joint activities in student mobility, research development, international training, and academic program enhancement. Both universities expressed optimism about future cooperation and reaffirmed their commitment to advancing meaningful and sustainable academic partnerships.
